

## NATIONAL GOLF DAY 2025

Friday 5<sup>th</sup> September 2025

Sponsored by

**COLESHILL ALUMINIUM LTD**

**To: All Members of The Diecasting Society**

**Subject: Diecasting Society National Golf Day 2025**

We are very pleased to confirm that this year's Diecasting Society National Day will take place on Friday 5<sup>th</sup> September 2025 at Moor Hall Golf Club, Sutton Coldfield, B75 6LN

It is open to all Society members and their guests, however please note that *non-members are not eligible to win the main prize.*

The main competition will be an 18 hole individual Stableford Competition based on full handicap (18 max). This will be held in the afternoon.

In addition to the main event there will be an 11 hole morning warm-up.

This year we are delighted to introduce again the **Encouragement Award** which will be presented to the winner of the Stableford Competition – entry Handicap 24 or over.

Golfers will all compete in the 18 hole Stableford Competition and be marked as normal, then the golfers with Handicap 24 and over will be judged and a winner from that group rewarded.

**It is therefore very important that we have your Handicap for the competition.**

## PACKAGE PRICES
