

DCS MIDLANDS GOLF DAY

Barlaston Golf Club

Friday 15th May 2026

The 2026 Diecasting Society Midlands Golf Day provides the perfect opportunity to meet up with old friends from the industry or entertain a customer. The event will again take place at Barlaston Golf Club, Meaford Road, Meaford, Stone, Staffordshire, ST15 8UX and the Society is once again grateful for the generous sponsorship of the event by Tandon Metallurgical Group. The Club is located 6 miles south of Stoke-on-Trent and is easily accessible from the M6 and A34.

Designed by Peter Alliss in 1977 and built on rolling meadowland, the course is described as a 'little beauty'. A par 69 over 5,801 yards long with some testing water hazards to conquer, Barlaston will set you some wonderful challenges. No matter what your handicap you will face a superb test of golf – the course rarely plays the same on morning and afternoon rounds!

Barlaston Golf Club now has a 'Smart Casual' Dress Code in the club house, so collared polo or dress shirt but no jacket and tie, smart clean not torn jeans, no camouflage and cargo pants please. 'On the course' dress code no denim, please see page 3.

To reserve a place please fill out the booking form attached.

For those wishing to stay over, there are good range of hotels from the Premier Inn Trentham Stoke, the Crown Suites in Stone or the Stone House Hotel just south of the town centre, all available from the internet.
